

WELCOME TO FRASINETTI'S

DINNER

You are seated in our "Winery's old East Cellar," which was established in 1897. The redwood vats and concrete fermenting tanks surrounding you bespeak more than 121 years of past vintages and history. Please have a memorable evening and return often.

Slow-roasted tender cuts of beef topped with a port demi glaze served over spaghetti with our family meat sauce.

Split Order Charge \$3.00

FRASINETTI WINERY was founded on the southern edge of Sacramento 121 years ago, in 1897. The anniversary marks a century of wine production, making Frasinetti's the oldest family owned and operated wine producer in the Sacramento Valley.

James Frasinetti, the founder, was an Italian immigrant who brought with him "Old World" winemaking knowledge and a desire to build a reputation for his quality wine. James and Rose Frasinetti raised a large family and planted vineyards with a pioneering spirit. For the next two decades, the winery grew and prospered.

Originally, wines were delivered into Sacramento by horse-drawn wagons. At its peak, Frasinetti Winery had planted 400 acres and was shipping wine by the railroad distributing as far as the East Coast. Prohibition struck in 1920s and most all wine production ceased. The winery survived by selling grapes for table use and by making "Altar Wine" for The Church. During this period, the Frasinetti family concentrated on farming.

During the 1940's, expansion was the winery's path. The 1950's brought with it a demise of the agricultural growing area. There was also a cultural shift with people moving away from this rural community. The decade of the 1960's was introduced with a wine boom. Wine was no longer used only at special occasions, or just by the "old world" population. By this time James' sons Amelio, Constadino and Joseph were comfortable in their ways. The winery made few changes in this period.

The 1970's saw the third generation grandsons, Gary and Howard, take over operation of the winery and begin to make changes from a winery that produced generic wines in large Redwood vats, to a small progressive winery blending old traditions with improved methods of the present. Varietal wines have continued to be produced with emphasis directed to quality and use of Oak and redwood cooperage.

In 1985, Howard and Gary established a restaurant in the old "East Cellar" among the cement fermentation tanks and large Redwood wine vats. Through the 1990's the winery and restaurant have remained a successful operation, serving banquets in the large banquet rooms, and weddings outside in the Grande Gazebo, making special moments memorable in a beautiful historic setting.

For your pleasure, enjoy complimentary wine tasting, browsing and specialty gifts in our Tasting Room. Please visit our website for information on banquets, weddings and special occasions as well.
